

## Burgers And Fries (ESP 163) Elmer Sheffield, Jr.

---

### OPENER - MIDDLE BREAK - CLOSER Basic

#### Circle to the left

\*Changes come and go

I've had my share I know

Why don't the **men star by the right once around**

Do an **allemande left** the corner and **weave** on around

It was burgers and fries and cherry pies

**Swing your girl** around and **promenade**

Walkin' in the sand, hand in hand

Thinkin' this might never end

### ALTERNATE LYRICS

\*I'm still the same old me

I guess I'll always be

### FIGURE Plus, corner progression

#### Heads promenade halfway

**Walk in and square thru** I say

Four hands around **make a right hand star, go halfway** round

As a couple **veer left**, and the **couples circulate**

You **half tag, trade and roll** to face

**Swing** the same girl around and **promenade**

Walkin' in the sand, hand in hand

In a world we used to know
