

Sit A Little Closer (ESP 714) Craig Rowe

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

I wish you'd tell me what you're thinking

Baby I just gotta know

Left allemande then you **dosado** her

Left allemande then **weave** around your ring

Won't you sit a little closer, just come on over

Put your pretty little self right next to me

And give your love to someone who wants you

I'm a man so blind in love I cannot see

FIGURE Basic, corner progression

Head couples promenade go halfway

Walk in and square thru go 4

Four hands and then, **square thru go 3** more

All the way and then you **trade by**

You **star thru** and **square thru 3/4**

Swing the corner girl and you **promenade**

And give your love to someone who wants you

I'm a man so blind in love I cannot see

ALTERNATE LYRICS

Darlin' something's gotta happen

There's not much more I can take
