

Takin' Care Of Business (ESP 912) Steve Kopman

OPENER - CLOSER Mainstream

Sides face grand square

You get up every morning to the alarm clock's warning

Take the 8:15 into the city

Oh there's a whistle up above, people pushin' people shovin'

The girls all tryin' to look pretty

Well now those **four ladies promenade** and go

Swing your girl and **promenade her home**

Well lord I'm takin' care of business, it's all right

Takin' care of business and workin' overtime

FIGURE Mainstream, corner progression

Heads square thru and go, **dosado** the corner girl

One time around you **touch 1/4** and then **scot back**

Come on the **boys run right** and you **square thru three**

Swing your corner girl and **promenade**

Well lord I'm takin' care of business, it's all right

Takin' care of business and workin' overtime

MIDDLE BREAK Mainstream

Sides face, grand square

(Musical interlude for 32 beats)

Well now those **four ladies promenade** and go

Swing your girl and **promenade her home**

Well lord I'm takin' care of business, it's all right

Takin' care of business and workin' overtime
